OF MISSISSIPPI

PROGRAM DESCRIPTION

Join the Diabetes Foundation of Mississippi for our 42nd annual patient meeting and learn the skills you need to take charge of diabetes!

The Super Conference is DFM's community outreach event designed to provide education for adults and/or parents of kids with type 1 or type 2 diabetes, their families, and caregivers.

Speakers include medical clinicians, researchers, and diabetes advocates.

WHO SHOULD ATTEND?

ADULTS WITH TYPE 1 OR TYPE 2 DIABETES— PARENTS OR GRANDPARENTS OF CHILDREN WITH DIABETES – ANYONE WHO CARES FOR SOMEONE WITH DIABETES

SPEAKER

Andrew D. Brown, MD, FACP is a general cardiologist from Madison, MS. After graduating from St. Joseph Catholic School and the University of Southern Mississippi Honors College, he attended medical school at the University of Mississippi Medical Center. Andrew is board certified in internal medicine, a member of the American College of Cardiology, and a fellow of the American College of Physicians. He is excited to treat all cardiovascular diseases including angina, congestive heart failure, and arrhythmias.

SPEAKER

Kimberly Crowder, M.D. is Chairman for the University of Mississippi Department of Ophthalmology and professor, is a board certified surgeon in Comprehensive Ophthalmology. Dr. Crowder served eight years as Director for the Ophthalmology Residency Program and in 2015 was promoted to serve as Department Chairman. Dr. Crowder specializes in diagnosis and treatment of a wide range of eye pathology including cataracts, dry eye disease, glaucoma and the assessment of eye diseases related to many systemic conditions including diabetes and autoimmune disorders.

SPEAKER

Dr. Seale graduated from the University of Mississippi School of Medicine and did his residency and fellowship at UMMC. He is board certified in Internal medicine and Diabetes, Metabolism & Endocrinology

SPEAKER**

TO BE ANNOUNCED

MODERATOR

Warren A. Jones, MD, FAAFP – Dr. Jones is Medical Director of the National Forum for Heart Disease and Stroke Prevention. A native of New Orleans, he was a 1978 graduate of the Louisiana State Univ. School of Medicine. He has spent over 30 years improving health care in Mississippi by establishing the Mississippi Institute for Improvement of Geographic Minority Health & Health Disparities at UMC, directing the State's Medicaid Program, and earning honors and recognition too numerous to mention.
